"Isabel's dedication to her students and passion toward the arts is a constant source of inspiration to me. She always pushes her students to do the best they possibly can and often will go beyond the call of duty, spending a lot of her free time to make sure they are achieving to their full potential. I doubt there is another teacher who is as dedicated or as multi-skilled as Isabel."

"I have been studying with Isabel for over 7 years. Last year I worked toward my Grade 7 Speech and Drama exam, which I passed with distinction. It was both a fun and challenging experience and I found playing the Queen character Imogen, from Shakespeare's play *Cymbeline*, the most interesting and rewarding.

I have really appreciated Isabel's support and guidance. I find her very personal and she has been a great role model for me."

Imogen Graham

"I have attended the Isabel Fish Academy for seven years and am amazed at how much I've learned during this time, in so many areas of speech and drama. For me, it has been a great confidence builder. Isabel's dedication and commitment to every student, and the fun we have in class, is what keeps me coming back. "

Emily Holland

"I find drama a fantastic experience. Every term we are given new challenges. Isabel always celebrates our successes and encourages us in our weaknesses. I have found talents in myself and have grown from watching others develop."
